New Piasa Chautauqua

In announcing the 1943 summer season and program, the Association fully recognizes the general economic conditions and restrictions on various means of transportation that heretofore have not been any such serious handicap for visitors and regular year-after-year cottagers who enjoy the beauty and pleasures of this resort.

The short distance, however, and train facilities of the Illinois Terminal Railroad and electric lines and bus from St. Louis is such that no one need deprive themselves of a needful vacation or weekend rest at a moderate cost in one of Nature's beauty spots.

Complete relaxation and enjoyment of first class entertainment is available for the 10 week season. Moving pictures and community singing four nights each week and private dancing with splendid music at the river pavilion each Saturday night.

Mr. Fred Haag, of Mansfield, Ohio, and Senior Student at Eden Seminary, Webster Groves, Mo.,

has been appointed as Dean of religious activities and resident Minister for the 1943 season. Mr. Haag is a graduate of Ashland College and is completing his ministerial studies at Eden Seminary, with a background of an active college life, also serving as student pastor for one year at the

First Congregational Church of Ashland, Ohio.

His major studies included Psychology and Philosophy in addition to teaching in the St. Louis Week Day Schools of Religion.

Mr. Haag will be in charge of all Sunday services at the auditorium and conduct the weekly devotional service each Thursday evening in the Memorial Chapel.

The guest ministers for the season include Rev. Harold L. Reader of the First Baptist Church in Webster Groves, who will be with us Sunday, July 11th, and present a series of Bible Studies daily

The Chautauqua Grounds are owned and operated by the New Piasa Chautauqua Association, and every person remaining on, or entering the same must have a ticket purchased from the Association. The Association reserves the right, at all times, to limit the sale of tickets.

GUEST TICKETS, good for one year, will be sold for \$8.00 to the holders of two or more annual tickets; they are restricted to the use of House Guests of the Purchaser and cannot be transferred.

CHILD TICKETS will be sold to those 14 years of age and under.

HELP TICKET—\$3.00 for the season.

SERVICE MEN in uniform admitted on payment of tax only.

through July 23rd, and the Rev. Paul R. Zwilling, Superintendent of the Evangelical Deaconess Hospital in St. Louis, will preach Sunday, August 1st. Rev. O. F. Whitlock of the First Methodist Church in Alton, will be with us Sunday, August 15th, and Rev. Geo. E. Sweazey of the Tyler Place Presbyterian Church in St. Louis, will preach Sunday, August 25th.

Ñever in the history of Christendom has there heen a more urgent need of prayer and practice of Christian religious activity, and the Association and its Religious Committee extend a sincere invitation to you to take, part in the regular Sunday services and mid-week devotionals under the leadership of these outstanding ministers of the gospel. Let us, by our attendance, keep the faith of those who have passed on to their reward and to those who are away from us in the armed forces fighting for the continuance of religious freedom and the right to worship according to the dictates of our own hearts.

Chautauqua Clubs

The social life of the resort is in charge of various club organizations, whose officers and members

invite all vacation guests to join.

The Ladies' Civic Improvement Association are again sponsoring the management of The Springs Hotel and will also have charge of the "Annual Children's Day" program, Saturday, August 14th.

Each Tuesday evening the L. C. I. A. bridge party will be held at The Springs Hotel.

Pleasure, Activity and Healthful Relaxation in the Cool Surround

HERE at Chautauqua the nights are always cool. They are filled with restful sleep, hard-earned by the children after a strenuous day in the swimming pool, in sports, in hikes and other activities. Earned, too, by mothers after a pleasant day in visiting and taking part in the many cultural and educational activities and a hundred other things. Earned, too, by fathers who have spent the day in sweltering offices just a few miles away.

Located just a little more than an hour from St. Louis; a few miles from Alton; in a roomy dell, the site of Chautauqua was discovered by the Indians countless years ago. For more than 50 years white people have taken advantage of the natural benefits of the situation. Today, Chautauqua consists of more than 135 cottages, some owned and others that are rented; a hotel; and a variety of good eating places.
